CL-211 XL Color Ink Tank

The new, high capacity genuine Canon CL-211XL Color Ink Tank delivers brighter colors with a wider range of colors that will stay vibrant, longer. FINE (Full Photolithographic Inkjet Nozzle Engineering) Technology provides exceptional sharpness, detail and quality to your prints. Use genuine Canon ink and photo paper for the ChromaLife100+ system that delivers long-lasting, beautiful photos. The CL-211XL also has a lower profile making for simple and quick replacement and remember, high capacity means more ink for more prints!

Canon CL-211 XL. Printing colours: White, Compatible products: -- PIXMA iP2702 -- PIXMA MP240 -- PIXMA MP250 -- PIXMA MP270 -- PIXMA MP280 -- PIXMA MP480, Print technology: Inkjet [<<<Less](#)
